Navi Mumbai-400614.

कार्यान्वयन एजेंसी - भारतीय कपास निगम लिमिटेड
IMPLEMENTING AGENCY - THE COTTON CORPORATION OF INDIA LTD.

Technology Mission on Cotton (TMC) was launched by the Government of India (GoI) in February 2000. TMC has four component Mini Missions (MMS): MM-I for Research and Development, MM-II for Transfer of Technology, MM-III for Development of Market Yards and MM-IV for Modernization of Ginning & Pressing factories. MM-I & MM-II are being implemented by the Ministry of Agriculture (MoA) whereas the Ministry of Textiles (MoT) is the Nodal Agency for MMS-III & IV.

Under TMC (MM-IV), the target was fixed to modernize 1000 existing G & P units/ setting up of new G & P units with financial assistance from the Govt. of India. A few vacant slots on account of cancellation/ voluntary withdrawals of approvals are now available with Mini Mission IV. Entrepreneurs/factory owners interested in setting up new G&P factories or modernizing existing units may forward their applications in the prescribed format enclosed, together with the following enclosures:

A. New Applications

- (a) Full list of machines and civil structural items existing and/ or to be set up/ constructed;
- (b) Land ownership documents including registered purchase deed and 7/12 extract;
- (c) SSI Registration certificate from State/District Industries Authority;
- (d) Registered Partnership Deed/Memorandum of Association;
- (e) Layout Drawing prepared by licensed Architect/Engineer;
- (f) A refundable application fee of Rs.50,000/- (Rupees Fifty Thousand only) as Demand Draft drawn in favour of "The Cotton Corporation of India A/c Technology Mission on Cotton", payable in Navi Mumbai.

B. Applications Already Received After Last Date of Advt. i.e. 24.05.2007

Applications received at TMC after 24th May 2007, kept pending may also now be considered for approval

Completed new applications together with the documents listed in Para "A" above along with the DD of Rs.50,000/- must reach the TMC office latest by **15th December 2008**. In case of proposals received after 24th May 2007 and kept pending as mentioned in Para "B", applicants should also submit DD of Rs.50,000/- latest by **15th December 2008**.

Those interested in applying for the subsidy may kindly note the following points also:

- (a) Applications not accompanied by DD for Rs.50,000/- will be liable to be rejected.
- (b) CCI/ TMC has full rights to consider/ accept/ reject the proposals. Simply submission of application fee will not be the sole criteria for the approval of the project
- (c) The application fee of Rs.50,000/- will be refunded along with GoI subsidy after the project work is completed in conformity with TMC guidelines. In case project is not completed then the EMD of Rs.50,000/- shall be forfeited.
